A handwritten signature in black ink, appearing to be "K. Sporer".

Re: **Regional Medical Center of San Jose – recent verification as a Level II Trauma Center**

The Alameda County EMS Agency was recently notified by the American College of Surgeons, that Regional Medical Center of San Jose underwent a review by the ACS Committee of Trauma and has been verified as a Level II Trauma Center. We appreciate the commitment of Regional Medical Center of San Jose to improving the care of our trauma patients.

For patients meeting Trauma Patient Criteria originating within the southern portion of Alameda County, Paramedics and EMT's are expected to transport these patients to the closest appropriate Trauma Center.

- Eden Medical Center (Adult)
- Santa Clara Valley Medical Center (Adult / Pediatric)
- Regional Medical Center of San Jose (Adult)
- Stanford University Medical Center (Adult)
- Lucile Packard Children's Hospital (Pediatric)

Thank you in advance for your understanding and continued commitment to the patients served by our EMS system.
