

Pathways to Emergency Medical Careers

Alameda County Health Care Services Agency Emergency Medical Services Corps

Mission

To increase the number of underrepresented emergency medical technicians through youth development, mentorship, and job training.

Vision

EMS Corps will be a national model that provides an opportunity for young adults to become competent and successful health care providers.

Core Values

Recognizing the dedication, skill, and value of all members, we will create and maintain an environment of individual safety, well-being, and trust. We are committed to the highest levels of, Compassion, Integrity, Safety, Honesty, Accountability, Professionalism, and Respect.

From The Community...Ready To Serve

EMS Corps is a highly selective, rigorous academy that prepares minority males who are from the community and ready to serve for careers in Emergency Medical Services.

If you have a High School Diploma or GED, then through this program you have the potential to become:

- Emergency Medical Technician
- Firefighter
- Emergency Department Technician

The Alameda County Health Care Services Agency's EMS Corps is a 5 month paid (stipend) program where participants will receive Emergency Medical Technician (EMT) training, life coaching, and participate in internships, while servicing their communities.

Our objective is to produce competent entry-level Emergency Medical Technician who can service the community with basic life support care via the Emergency Medical Services (EMS) infrastructure.
